101. MISSION STATEMENT/VISION STATEMENT/SHARED VALUES

Mission Statement

It is SUN Tech's mission to provide World Class Technical Education by continually improving:

Safe and Supportive Environment +
Unparalleled Instructional Services & Curriculum +
Nationally Recognized Student Achievement =
Highly Skilled Future Leaders!

Vision Statement

To be a center of excellence for education and adaptable to the needs and expectations of our secondary and post-secondary students.

Shared Values

1. All students can learn and will be encouraged and challenged to reach their full potential.
2. Programs should enable students to acquire the knowledge, skills, and attitudes necessary to be productive members of society.
3. Career guidance is essential for all students.
4. Professional development is vital for a well-trained and creative staff.
5. Students, through their actions and choices, have the final responsibility for their education.
6. Students must have saleable skills upon program completion.

	<ol style="list-style-type: none">7. The community and students must be committed to the pursuit of excellence in programs and services.8. Education is a continuing experience.9. Students will develop respect for themselves and others.10. Partnering with the private sector to ensure a curriculum that is valid and business/industry responsive.11. Students must be Self-Directed Learners who use positive core values to create a positive vision for themselves and their future, set priorities and achievable goals, create options for themselves, monitor and evaluate their progress, and assume responsibility for their actions12. Students must be Collaborative Workers who use effective leadership and group skills to develop and manage interpersonal relationships within culturally and organizationally diverse settings.13. Students must be Complex Thinkers who identify, access, integrate, and use available resources and information to reason, make decisions, and solve problems in a variety of contexts.14. Students must be Community Contributors who contribute their time and energies, and talents to improving the welfare of other and the quality of life in their diverse communities.15. Students must be Quality Producers who create intellectual, artistic, practical and physical products which reflect originality in high standards and use of advance technologies. <p>References:</p> <p>Joint Operating Committee Policy – 100</p>
