

SUN
AREA TECHNICAL INSTITUTE
Joint Operating Committee Meeting
Highlights, April 18, 2024

The SUN Area Technical Institute Joint Operating Committee at their regular meeting held April 18, 2024, acted on the following items:

- Heard from the Administrative Director, David Bacher:
 - ✓ The Advertising Art & Design OAC has requested to continue the 50.0402 Commercial Art CIP code and supplement the current instruction with digital printing and website design skills.
 - ✓ A Flexible Instruction Day Plan is presented for approval, Flexible Instruction Days will be used only when make-up days are used and additional days are required to meet graduation deadlines, or in other emergency situations.
 - ✓ A list of End-of-Year activities was distributed for reference.
 - ✓ A matching fund (75/25) grant for some small construction projects is available and we will be applying for this.
 - ✓ This year 11 students from HOSA and Skills USA have earned a place at the National competition level.
 - ✓ Additional funds from an SPO grant that we did not receive have become available to those that did not qualify during the first round, and we will be receiving reimbursement for the 22-23 and 23-24 SY for SRO expenses.
 - ✓ The construction project is currently at 50% completion with an anticipated August 31st completion date.
 - ✓ Student Recognition:
 - Anthony Mister, Mechatronics/Shikellamy, Young American, April
 - Grace Bollinger, Health 201/Mifflinburg, Lewisburg Sunrise Rotary Student of the Month, April
